(13) Cadet Lt. Col. Zach King of the New Jersey Wing, chairman of the National Cadet Advisory Council, updates National Board members on the council's activities. Like the National Board, the council was in session for two days during the week of the 2010 Winter National Board meeting. As chairman of the 16-member NCAC, King serves as Maj. Gen. Amy S. Courter's No. 1 source for cadet perspectives on challenges facing CAP. Collectively, the council represents more than 24,000 youth in CAP's Cadet Program.
